

# Reimagining the Varnville Cotton Gin Building

## Honoring Our History - Building Our Future

### HELP SHAPE the COTTON GIN BUILDING FUTURE!

The town of Varnville is exploring exciting new uses for the historic Cotton Gin Building —a landmark with deep roots in our agricultural and economic history.

***Your input is essential in shaping a vision that supports and benefits everyone!***

### **WE NEED YOUR IDEAS & MEMORIES**

**Stories:** Do you have memories connected to the Cotton Gin?

**Photos:** Old photos of the Building or events held there?

**Ideas for Use:** What could the Building become? (business, culture, education, events?)

**Community Needs:** What gaps or opportunities exist in Varnville and nearby communities?

### **WHY IT MATTERS**

***Together, we can turn an underused building into a lively resource for generations, promoting local pride, attracting investment, and creating a stronger future for Varnville and surrounding communities.***
